DKSH Myanmar healthcare distribution centers upgraded to ISO 9001:2015

DKSH Myanmar healthcare distribution centers have been awarded the latest ISO 9001:2015 certificate, after successfully completing the SGS audit process.

Yangon, Myanmar, July 28, 2017 – DKSH Business Unit Healthcare, the leading Market Expansion Services provider for healthcare companies seeking to grow their business in Asia, has received the latest ISO 9001:2015 certificate for its two healthcare distribution centers in Yangon and Mandalay after successfully completing the SGS audit process.

The certificate underlines DKSH's commitment to meeting the highest international quality standards for distribution of healthcare products in Myanmar and all the other markets.

Last year, DKSH tripled the size of its healthcare distribution center in Yangon. The upgraded facility supports clients in responding to the increased demand for healthcare products in one of Asia's last frontier markets whilst meeting the highest quality standards.

Phillip Wray, Vice President Healthcare, DKSH Myanmar, commented: "To provide better quality and services, we continue to upgrade our infrastructures, systems and operations continuously. This will help us to meet our business partners' demands and provide more people in Myanmar with access to the best treatment options."
