

Trade show announcement

DKSH promotes healthy food innovations at FIC 2018

DKSH, a leading Market Expansion Services provider, will join forces with its valued business partners, suppliers of innovative food ingredients, to promote a wide range of exciting brands, products and innovations at Food Ingredients China (FIC) 2018.

Shanghai, China, March 8, 2018 – DKSH's Business Unit Performance Materials, a leading ingredients and specialty chemicals distributor and provider of Market Expansion Services, together with its valued business partners Clasado, Ceamsa, Polygal, Semba, and Wacker, will jointly exhibit at FIC, the largest professional food additives and food ingredients exhibition in China. The annual event, which showcases products and innovations from the industry's leading food additives and food ingredients companies, will be held at the National Exhibition and Convention Center in Shanghai on March 22-24, 2018.

DKSH will exhibit at stand (booth No. 61B40/61C41 hall No. 6.1), where it will promote innovative products for use in the manufacture of nutritional healthy food and dietary supplements, including:

- α , γ -cyclodextrin, used for molecular encapsulation; curcumin, a hydrophobic polyphenol derived from turmeric root; L-Cysteine, used in food/dietary supplements to support the health of the liver and provide skin whitening from **Wacker**
- Locust Bean Gum and Guar Gum for use in ice-cream to achieve a desirable texture and chewiness from **Polygal**
- Bimuno, which is used to stimulate the growth of friendly bacteria in the gut from **Clasado**
- Pectin and carrageenan, which are used as food additives to improve the texture and taste of products from **Ceamsa**
- Caramel Syrup, which is used as a food ingredient in ice-cream, beverage and dessert for a desired flavor and brown color from **Semba**

"We are very excited to once again partner with our clients to promote a portfolio of innovative food ingredients and solutions. FIC is a great platform for us to meet with our existing valued business partners and attract new business," stated Kevin Bee, General Manager, Business Unit Performance Materials, DKSH China.

About DKSH

DKSH is the leading Market Expansion Services provider with a focus on Asia. As the term "Market Expansion Services" suggests, DKSH helps other companies and brands to grow their business in new or existing markets. Publicly listed on the SIX Swiss Exchange since 2012, DKSH is a global company headquartered in Zurich. With 825 business locations in 37 countries – 800 of them in Asia – and 31,970 specialized staff, DKSH generated net sales of CHF 11.0 billion in 2017. DKSH was founded in 1865. With strong Swiss heritage, the company has a long tradition of doing business in and with Asia and is deeply rooted in communities and businesses across Asia Pacific.

DKSH Business Unit Performance Materials is a leading specialty chemicals distributor and provider of Market Expansion Services for performance materials, covering Europe, North America and the whole of Asia. The Business Unit sources, develops, markets and distributes a wide range of specialty chemicals and ingredients for pharmaceutical, personal care, food & beverage as well as various industrial applications. In addition, it creates innovative and cutting-edge concepts and applications in 29 innovation centers located worldwide. With 100 business locations in 31 countries and around 1,010 specialized staff, Business Unit Performance Materials generated net sales of CHF 894.1 million in 2017.

Think Asia. Think DKSH.
