DKSH unveils innovative personal care solutions at PCHi 2018

DKSH, a leading Market Expansion Services provider, will promote a wide range of exciting brands and product concepts at the Personal Care and Homecare Ingredients (PCHi) 2018 exhibition in Shanghai.

Shanghai, China, March 6, 2018 – DKSH's Business Unit Performance Materials, a leading ingredients and specialty chemicals distributor and provider of Market Expansion Services, will showcase its products and innovations at PCHi 2018.

The annual event, which hosts cosmetics, home and personal care manufacturers, ingredients suppliers, cosmetics packaging producers and machinery and product testing companies, will be held at the Shanghai World Expo Exhibition and Convention Center in Shanghai on March 19-21, 2018.

DKSH will exhibit at stand 1L15 in hall 1, where it will provide expert advice on its innovative portfolio including specialty esters and polymers, niche wax based products, new generation surfactants, leading skin whitening active ingredients, multifunctional and green solvents and emulsifiers and many other exciting products and innovations.

"We very much look forward to once again showcasing our innovative personal care solutions at PCHi. Our presence will further broaden awareness of DKSH in the personal care and cosmetics industry. With our unparalleled sourcing network, we source the latest trend-setting, high performance products for our valued customers and look forward to unveiling these at the show," stated Kevin Bee, General Manager, Business Unit Performance Materials, DKSH China.
