DKSH exhibits personal care innovations at in-cosmetics Korea 2018

DKSH, the leading Market Expansion Services provider with a focus on Asia, will promote an exciting portfolio of cosmetic ingredients for personal care applications at in-cosmetics Korea 2018.

Seoul, Korea, May 15, 2018 – DKSH Business Unit Performance Materials, a leading distributor of ingredients and specialty chemicals and provider of Market Expansion Services, will exhibit at in-cosmetics Korea 2018.

With 2018 marking its 4th edition, the show remains the only exhibition dedicated to personal care ingredients in Korea and will extend to a three-day event from June 13 to 15, at COEX (Hall C) in Seoul. The show will offer visitors unrivalled access to the latest raw materials, testing services and extensive learning opportunities, as well as the most innovative ingredients available on the Korean market.

DKSH will exhibit at stand M10, where its senior sales executives will be on hand to promote a portfolio of innovative ingredients, products and concepts as well as exciting products from key clients, including:

- Active Beauty offers award-winning products for a wide range of benefits including anti-aging, self-tanning, soothing, hydrating, cooling and more from **Givaudan**
- Rheology specialist for beauty and personal care formulations to bring clarity, thickening, pleasant flow and suspension of particle and beads from **Coatex**
- Innovative products from **Roquette**, a global leader in plant-based ingredients and pioneer of new vegetal proteins
- Surfactant specialty and mild surfactant, natural silicone replacement and natural conditioning booster from **Stepan**
- Ectoin®, a natural Glycoin with anti-pollution, protection and repair benefits and clinically proven efficacy from **Bitop**
- ESTOGEL, a range of innovative oil gelling agents that are more than 90% green, helping the formation of clear gel with very good suspensive ability at low concentration from **PolymerExpert**
- COSMOS/ECOCERT approved products, including Gilsolide, a green alternative for light silicones and esters from **Gilas**
- Fine fragrances with swiss quality based on 90 year's history from **Luzi**

"We are very excited to be in part of in-cosmetics Korea 2018 to continue our promotion of some truly innovative products. The show will be a great platform for us to build positive networking opportunities and shape future industry trends with our valued business partners," commented Seungpil Jang, Local Business Unit Manager, Business Unit Performance Materials, DKSH Korea.
