DKSH and key clients showcase products and innovations at Food Ingredient China (FIC) 2016

DKSH, the leading Market Expansion Services provider with a focus on Asia, partners with renowned nutritional health food and dietary supplement manufacturers to promote key clients' brands products and innovations at Food Ingredients China (FIC) 2016.

Shanghai, March 7, 2016 – DKSH's Business Unit Performance Materials, a leading Market Expansion Services provider and distributor of food and beverage ingredients, together with key clients including OmniActive, Wacker, Eurovanille, CEAMSA, Polygal and Horphag, will jointly exhibit at FIC, the largest professional food additives and food ingredients exhibition in China. The event, which showcases the industry's leading food additives and food ingredients companies, will be held at the National Exhibition and Convention Center in Shanghai on March 23-25, 2016.

DKSH will exhibit at stand 61B40/61C41 in hall 6, where senior executives from DKSH and key clients will be present throughout the show to promote and provide detailed introductions on their product concepts. The showcased product portfolios will include free lutein and lutein ester from OmniActive, cyclodextrin, high bioavailable curcumin and L-Cysteine from Wacker, natural vanilla products from Eurovanille, pectin and carrageenan from CEAMSA, locust bean gum (LBG) and tara gum from Polygal and Pycnogenol from Horphag.

“DKSH is very proud to partner with renowned nutritional health food and dietary supplement manufacturers and to provide them with our Market Expansion Services. Together, we will launch and establish more of their exciting products in China. Visitors to our booth will experience a first-hand look at leading international brands and cutting-edge products from around the world, introduced by top executives from our key clients,” commented Kevin Bee, General Manager, Business Unit Performance Materials, DKSH China.
