DKSH and key clients showcase products and innovations at PCHi 2017 exhibition

DKSH, the leading Market Expansion Services provider with a focus on Asia, will team up with renowned personal care and cosmetic ingredient producers to promote key clients' brands and product concepts at the Personal Care and Homecare Ingredients (PCHi) 2017 exhibition in Guangzhou.

Guangzhou, China, February 8, 2017 – DKSH's Business Unit Performance Materials, a leading Market Expansion Services provider and distributor of personal care ingredients, will join key clients including Alzo, Cirebelle, Galaxy and Sytheon to showcase products and innovations at PCHi 2017.

The event, which showcases cosmetics, home and personal care manufacturers, ingredients suppliers, cosmetics packaging producers and machinery and product testing companies, will be held at the Poly World Trade Center Expo in Guangzhou on February 21-23, 2017.

DKSH China will exhibit at stand 3L71 in hall 3, where senior sales executives from DKSH and key clients will be present throughout the show to promote and discuss their brands and product innovations, including: Innovative esters and polymers from Alzo; Niche wax based products from Cirebelle; GalSoft SCG from Galaxy; AA2G from Nagase; Synovea HR from Sytheon and many other exciting products and innovations.

“It is a privilege for us to once again partner with our highly innovative business partners at the annual PCHi. Together with these valued key clients, we can leverage an array of diverse product portfolios and drive business growth. At the same time, with our unparalleled sourcing network, we source latest trend-setting, high performance products for our valued customers,” commented Kevin Bee, General Manager, Business Unit Performance Materials, DKSH China.
