About HBM Healthcare Investments

HBM Healthcare Investments invests in the healthcare sector. The Company holds and manages an international portfolio of promising companies in the human medicine, biotechnology, medical technology and diagnostics sectors and related areas. Many of these companies have their lead products already available on the market or at an advanced stage of development. The portfolio companies are closely tracked and actively guided in their strategic direction. This is what makes HBM Healthcare Investments an interesting alternative to investments in big pharma and biotechnology companies. HBM Healthcare Investments has an international shareholder base and is listed on SIX Swiss Exchange (ticker: HBMN).
