Press Release

Dr. Christoph Kolano Joins Lonza Consumer Care as Associate Director Global Portfolio Development

South Plainfield, NJ (USA), 12 April 2016 – Dr. Christoph Kolano, Ph.D, has joined Lonza Consumer Care in the role of Associate Director Global Portfolio Development for its Personal Care business.

Based in Basel (CH), Dr. Kolano is responsible for designing and initiating the development of new products for the Lonza Personal Care global portfolio. In addition, he is responsible for optimizing Lonza's infrastructure, implementing emerging technologies and aligning the Lonza product portfolio with regulatory requirements and regional customers' needs.

Dr. Kolano has more than 12 years of expertise in value creation within the chemical industry, with a strong focus on oleochemicals, petrochemicals, surfactants and intermediates. Prior to joining Lonza, Dr. Kolano held technical marketing, sales and Research & Development positions at KOLB in Hedingen (CH). He was most recently Head of Research & Development and Key Account Manager.

Dr. Kolano earned his Ph.D in physical organic chemistry and his Master's degree in organic chemistry at Ruhr University in Bochum (DE). A member of the Association of German Chemists and the Association of Swiss Chemists, he has authored more than 25 papers in peer-reviewed journals and has been granted patents in oleochemicals and surfactants.

"We've recently brought in technical experts in skin care, hair care and chassis to strengthen our broad portfolio of personal care products," said Penny Antonopoulos, Head of Global Marketing, Personal Care. "In his role in global portfolio development, Christoph will be integral to expanding our offerings to align with emerging market trends and the ingredient needs of our customers as we continue to inspire formulators and excite consumers."

About Lonza Consumer Care – Personal Care

Lonza Consumer Care has long been the world's leading supplier of active antidandruff agents, with its Zinc Omadine[®] product considered the gold standard in the antidandruff shampoo market. Lonza Consumer Care also supplies a wide array of other hair and skin care products, including biotechnology-derived active ingredients, natural and organic preservatives and other products, proteins, emollients, delivery systems and more.

About Lonza

Lonza is one of the world's leading and most-trusted suppliers to the pharmaceutical, biotech and specialty ingredients markets. We harness science and technology to create products that support safer and healthier living and that enhance the overall quality of life.

Not only are we a custom manufacturer and developer, Lonza also offers services and products ranging from active pharmaceutical ingredients and stem-cell therapies to drinking water sanitizers, from the vitamin B3 compounds and organic personal care ingredients to agricultural products, and from industrial preservatives to microbial control solutions that combat dangerous viruses, bacteria and other pathogens.

Founded in 1897 in the Swiss Alps, Lonza today is a well-respected global company with more than 40 major manufacturing and R&D facilities and approximately 9,800 full-time employees worldwide. The company generated sales of CHF 3.8 billion in 2015 and is organized into two market-focused segments: Pharma&Biotech and Specialty Ingredients. Further information can be found at www.lonza.com.
