Partners Group opens office in Paris

Partners Group, the global private markets investment manager, continues to expand its global presence on a local basis with the opening of a new office in Paris. This new location will further support Partners Group's investment activities in France whilst additionally increasing proximity to clients in the region.

The French market is one of the largest private markets in Europe. Partners Group has already invested over EUR 800 million in this region including 10 direct investments and intends to further develop its existing investment activities going forward. The firm counts a number of important financial institutions in France amongst its clients while being dedicated to providing further investors with access to the promising potential offered by private markets investments.

Gilbert de La Ferrière, Head Paris, comments "France is an established market for Partners Group which offers additional potential. We believe this local presence allows us to not only identify additional attractive investment opportunities but also to offer clients in the region a superior level of service. I look forward to further building the business in France and to promoting Partners Group's broad range of investment solutions across all private markets segments."

The Paris office can be contacted as follows:
